- GECE

Feedbacks from some of the Trainings Conducted:

@ GE HEALTHCARE (Bangalore)

We wanted to thank you for the good training session we had at GEHC. Your flexibility and eagerness to disseminate information - Most trainers would say that this is another training and look at it purely commercially, but your willingness to go out of the way to tell things not in syllabus was something we liked most.

@ INTUIT (Bangalore)

This was by far the best ever training session we have ever attended. Your mastery of the subjects you talked about was totally self-evident.

@ VIRTUSA (Chennai)

- Tutorials presented, sharing of technical knowledge
- Most useful as we got to know the underlying concepts used.
- Presented along with the example; fully met the purpose of the training.
- It was most useful training.
- Keep conducting such training with high attitude people like Ramana
- Totally the training is nice and useful
- Provided excellent training material

@ Sungard Software Solutions (Bangalore)

- Your examples and training was really helpful in tying up the layers.
- Overall it was completely done and really felt obliged to say a word of thanks to you since your training in concepts was very good.
